

Pierre Audoin Consultants

Pierre Audoin Consultants (PAC) is the leading market research and strategic consulting firm for the Software and IT Services Industry (SITSI®). PAC's mission is to advise IT companies on achieving domestic and international growth objectives through the planning, development, implementation, and ongoing support of successful strategies.

To support the growth of our team in Bucharest we are looking for a

Senior IT Market Analyst

Your Responsibilities:

- You work project-oriented and analyze the markets for software and IT services qualitatively and quantitatively
- You summarize the analysis results in the form of reports and notes and present them in workshops.
- Your market analysis requires the conduct of interviews with experts, which will be the basis of your everyday work.
- You support your fellow PAC consultants and the sales team in their sales activities (presales).
- You are a team member for national and international consulting projects with respect to our customers' marketing and company strategy.

Your Profile:

- In-depth knowledge of IT topics
- Appropriate experience with an IT provider, a market research company, or a consulting company would be ideal;
- High affinity for IT technology;
- Distinctive analytical and conceptual skills;
- High affinity for data and figures;
- You are eager for knowledge and open towards new and innovative projects;
- You are outgoing, able to work in a team, and have a strong sense of commitment;
- Excellent command of the English language complete your profile (fluency in French would be an advantage).

Our Offer:

- A versatile and responsible position in a very dynamic environment;
- Personal contact with decision-makers of renowned companies;
- The possibility to gather international experience; as well as
- The opportunity to realize your own ideas.

You enjoy diverse challenges? You are flexible and like working in a small team in a medium-sized company? Then we will be the right company for you. To apply for this position please e-mail your CV, along with a cover letter, salary requirements, and indication of earliest possible start date, to career@pac-online.com.
